

HELP US PUT THE BRAKES ON BUSH

Driving Votes has been registering voters in swing states to defeat Bush. Now we're making sure *everybody* votes. You can help, here's how.

- Plan a Trip:** Visit a swing state to get out the vote (GOTV).
- Donate:** Visit www.drivingvotes.org/donate to sponsor others taking trips to swing states.
- Spread the Word:** We rely solely on word of mouth, so tell your friends and family about Driving Votes.
- Sign up:** Join the Driving Votes mailing list.

PLAN A SWING STATE TRIP

How many votes to the gallon can you get? Get your friends together, hop in a car, and head to a swing state to get out the vote. Go to www.drivingvotes.org to learn how to partner with local organizations to turn out Democratic voters to the polls.

DONATE NOW TO DRIVING VOTES

We've registered thousands of new voters, and talked to thousands of registered voters about voting Democratic. Now we have to make sure they all vote. To support Driving Votes and our GOTV swing state trips, visit www.drivingvotes.org/donate

SPREAD THE WORD

We rely solely on word of mouth, so please tell everyone you know who wants to send George Bush back to Texas about Driving Votes. The more people you tell about www.drivingvotes.org the more Democratic voters we can turn out to the polls on Election Day.

SIGN UP FOR THE MAILING LIST

Want to receive news about upcoming trips and action events? You can help us add George Bush to the list of the three million unemployed in our country. Go to www.drivingvotes.org to sign up for updates.
